iMatch™ Quick-Hitch

Rear Work Light Kit

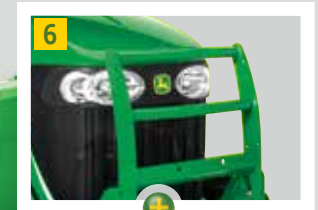

Third Selective Control Valve Kit

Rear Fender Extensions

Hood Guard

3-bag Power Flow System

## 1 3-bag Power Flow System

Add more productivity and process up to 14 bushels of yard material.

**BLV10028** 1 Family and 2 Family Tractors

## 4 Rear Work Light Kit

Add more light to your night to get more done.

**LVB24853** 1 Family Tractors  
**LVB25547** 2R Series Tractors

## 6 Hood Guard

Add more protection to the front-end of your tractor while operating the loader.

**BW15900** 1 Family Tractors  
**BW15634** 2032R, 2520, 2720 Tractors

## 2 Rear Fender Extensions

Add more protection by extending the fender's tire coverage.

**LVB25652** 2320, 2520, 2720,  
2R Series Tractors

## 5 Third Selective Control Valve Kit

Add more versatility by using third spool on selective control valve.

**BLV25837** 1R Series Tractors  
**BLV10382** 2R Series Tractors

## 3 iMatch™ Quick-Hitch

Add more ease and quickly attach tractor implements.

**LVB25976** 1 Family and 2 Family Tractors

*Talk to us today about how attachments can Add More to your 1 Family or 2 Family Tractor experience.*

# + Add more Do more

with John Deere Tractor attachments

## 1 Air Seat Suspension Kit - Cab

Add more comfort over the roughest terrain and minimize operator fatigue.

**LVB24983** 3000 TWENTY,  
4000 TWENTY Cab Tractors

## 2 Rear Wheel Weight

Add more traction and stability when working on uneven terrain.

**T19293** 3100, 3300, 3500, 3720 Series  
Tractors, 4100, 4300, 4500, 4600,  
4710 Series Tractors

## 3 Rear Work Light Kit

Do more with your rear implements even after the sun does down.

**LVB24853** 3033R, 3039R, 3046R,  
3320 – 3720, 4044R, 4052R,  
4066R, 4320 – 4720 Series Tractors

## 4 External Mirrors

Add more visibility and get a wider, clearer view of the what's behind you.

**LVB24844** 3000 TWENTY,  
4000 TWENTY Tractors

## 5 Automotive Cruise Kit

Add more productivity and reduce operator fatigue by working at a consistent speed.

**LVB25866** 3000 TWENTY,  
4000 TWENTY Tractors

*Talk to us today about how attachments can **Add More** to your 3 Family or 4 Family Tractor experience.*

## Attachments

### Electrohydraulic Third SCV Kit

Smoothly operate motor-driven attachments, such as a hydraulic boom, with the convenience of three SCVs in the front and rear of the tractor.

**BLV10471** 3R Series Tractors (Cab models only)

**BLV10362** 3R Series Tractors (Open Operator Station models only)

**BLV10043** 4R Series Tractors (Cab and Open Operator Station models)

### Canopy

Protect yourself from the sun's intense UV rays and inclement weather (requires LVB25332 mounting bracket and hardware kit, ordered separately).

**LVB25334** 3000 TWENTY, 3E, 3R Series, 4105, 4000 TWENTY, 4M, 4R Series Tractors

### iMatch™ Quick Hitch

Easily attach most Category 1 implements while withstanding the increased lift capacity of high-performance tractors.

**LVB25976** 3005, 3E, 3000 TWENTY, 4005, 4020 TWENTY

### Power Beyond Kit

Increase hydraulic power for operating attachments at the rear of your tractor.

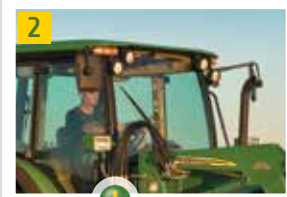

**LVB26064** 3020, 4105 Series Tractors

Telescopic Mirrors

Auxiliary Cab Work Light Kit

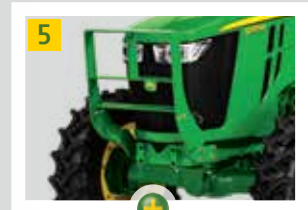

Instructional Seat Kit

Fender Extension Kit

Hood Guard

## 1 Fender Extension Kit

Add more protection and shield your tractor from flying debris.

**LVB25714** 5E, 5M, 5MH Series Tractors

## 2 Telescopic Mirrors

Add more visibility and keep a better eye out when towing wagons or large implements.

**AL80126 (Left-hand mirror)**

5025, 5603, 5E Limited, 5M, 5MH Series Tractors

**AL80127 (Right-hand mirror)**

5025, 5603, 5E Limited, 5M, 5MH Series Tractors

## 3 Auxiliary Cab Work Light Kit

Add more light to the front or rear of your tractor.

**LVB25720** 5025, 5E Limited, 5M, 5MH Series Tractors

## 4 Instructional Seat Kit

Add more comfort and convenience for trainees in the cab.

**LVB25717** 5025, 5MH Series Tractors

## 5 Hood Guard

Add more protection to the front-end of your tractor while operating the loader.

**BW15084** 5025, 5E Series Tractors

**BW15817** 5D, 5E Series Tractors

**BW16327** 5E Series Tractors

**BW15657** 5M Series Tractors

**BW16009** 5M Series Tractors

## Add More Convenience

### Rear Wheel Weight

Improve your traction and balance when using heavy implements.

**T19293** 5D, 5E Series Tractors  
**R213907** 5M Series Tractors

### Stationary Fenders

Get maximum coverage for tractor tires, while still maneuvering tight turns and obstacles.

**BW16094** 5M Series Tractors (with H260 or H310 loaders)

### Quik Coupler, Category 2

Attach/detach implements with speed and ease.

**TY16042** 5 Family Tractors

### MFWD Front Fenders

Protect yourself and your operator station from unwanted dirt and debris.

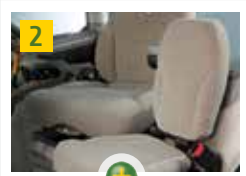

**LVBAL180330** 5025, 5603, 5E Limited, 5M Series Tractors

Instructional Seat

Rear Wiper

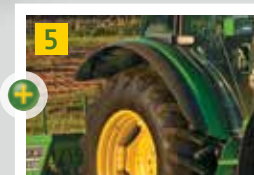

Engine Coolant Heater Kit (110V)

Rear Hitch Quik Coupler Kit Category 2 and 3

Rear Fender Extension

## 1 Engine Coolant Heater Kit (110V)

Add more protection to your tractor engine when working in cold weather.

- AL173967** 6030 (Cab and Open Operator Station models), 6030 Premium Series Tractors
- RE227949** 6D Series Tractors
- AL207807** 6M, 6R Series Tractors
- AL205918** 6M, 6R Series Tractors

## 2 Instructional Seat

Give trainees a comfortable seat and increase cab storage with the rear netting.

- AL173569** 6M, 6030, 6030 Premium Series Tractors
- AL204298** 6R Series
- LVB25717** 6D TRTS (MY 13 only)

## 3 Rear Wiper

Add more visibility out the back of your tractor during inclement weather.

- AL179028** 6030 Series Tractors

## 4 Rear Hitch Quik Coupler Kit, Category 2 and 3

Add more convenience when attaching/detaching implements to the rear of your tractor.

- RE180668** (Cat. 3) 6140R – 6210R Tractors
- TY16042** (Cat. 2) 6D, 6M, 6R Series Tractors

## 5 Rear Fender Extension

Add more protection and shield your tractor from debris.

- BL15018** 6105R – 6210R Tractors

*Talk to us today about how attachments can **Add More** to your 6 Family Tractor experience.*

Cold Weather Starting Package

## 1 Cold Weather Starting Package

Stay in the field, even when conditions aren't ideal. This package lets you start your tractor at temperatures as low as -22 F (-30 C).

**RE325917** 7230R/7260R/7280R

## 2 Front MFWD Fenders

Get optimum mud control and protect your operator's station from mud and debris. Features a full range of adjustments to accommodate a variety of tread settings and tire sizes.

**RE238910** 12.4 in (290 mm) to 16.9 in (420 mm) tire widths

**RE238909** 18.4 in (480 mm) to 23.6 in (600 mm) tire widths

## 3 Accessory Mounting Bracket

Hands free operation for monitors, controls and accessories. Mount, adjust and position for maximum accessibility without compromising visibility.

**RE343680**

## 4 CommandARM Bracket

This bracket for Final Tier 4 (FT4) Tractors offers a convenient way to mount a cell phone or tablet to the CommandArm for easy use. It is not compatible with joystick-equipped tractors.

**BRE10147**

## 5 Fourth Remote SCV with Breakaway Couplers

This field-installed kit gives you additional SCVs to control implements. This kit provides timed detents with pressure and load sense compensation.

**RE327558** 7200R-7280R

## 6 Rear Fender Extensions

Increased coverage of rear tires in all directions means less mud on your cab windows, selective control valve stack, hitch and drawbar.

**RE318606** 7200R-7280R

**RE324406** 7200R-7280R

**RE253154** 7030

Electrically Adjustable RH/ LH Mirror Conversion Kit

Refrigerator

Accessory Mounting Bracket with Tablet Mount Kit and Cell Phone Mount Kit

Utility box

Heavy-Duty Drawbar Support (Cat. 4 Drawbar)

## 1 Utility Box

Keep essential items within reach with a John Deere utility box – without taking up valuable cab space. This front weight-mount kit bolts on in minutes without compromising headlight visibility or tractor functions.

- BRE10151** Front-mount utility box (requires BRE10153)
- BRE10153** Utility box bracket kit

## 2 Electrically Adjustable RH/ LH Mirror Conversion Kit

The electrically adjustable mirrors on both sides of the cab are handy for getting the view you need of variable-width implements, wagons, or carts.

- RE323407** 8235R - 8360R
- RE323406** 8310RT - 8360RT

## 3 Refrigerator

Now you can keep your lunch fresh or enjoy a cool beverage without leaving the field. This refrigerator puts refreshment within easy reach, so you can keep working.

- RE341704** Refrigerator 6.4 cu L (391 cu in.)

## 4 Accessory Mounting Bracket with Tablet Mount Kit and Cell Phone Mount Kit

Easily access and use your smart phone or 10" tablet device with this kit that keeps you connected, without interfering with sightlines.

- RE343680** Accessory Mounting Bracket
- BRE10015** Cell Phone
- BRE10034** Tablet Mount

## 5 Heavy-Duty Drawbar Support (Cat. 4 Drawbar)

This support under the drawbar assembly increases the tongue weight capability to 4990-kg (11,000-lb) vertical load.

- BRE10099** 8235R-8360R/8310RT-8360RT

Fuel/Water Separator Kit for Wheel Tractors – Severe Duty

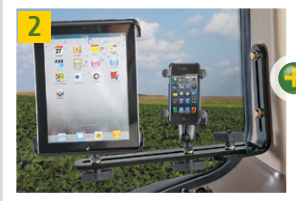

Electro-Hydraulic 3-point Hitch for Wheel Tractors

Power Beyond Coupler Kit

Accessory Mounting Bracket with Tablet Mount Kit and Cell Phone Mount Kit

Battery Disconnect Switch

Tire Pressure Monitor Kit

## 1 Tire Pressure Monitor Kit

Increase tire life and traction, and reduce soil rutting and compaction. This kit helps you avoid costly and unexpected downtime by alerting you when a tire is losing pressure, long before visual evidence is available.

**RE263352** Tire pressure monitoring kit  
**RE263359** Tire-pressure sensor

## 2 Accessory Mounting Bracket with Tablet Mount Kit and Cell Phone Mount Kit

Easily access and use your smart phone or 10" tablet device with this kit that keeps you connected, without interfering with sightlines.

**RE343680** Accessory Mounting Bracket  
**BRE10015** Cell Phone  
**BRE10034** Tablet Mount

## 3 Fuel/Water Separator Kit for Wheel Tractors – Severe Duty

Extend service intervals and help protect your tractor's fuel system from damage if the fuel contains more water than the base filtering equipment can handle.

**RE326213** 9R and 9R Scraper Wheel Tractors

## 4 Electro-Hydraulic 3-point Hitch for Wheel Tractors

This 3-point hitch has draft sensing, dual lift cylinders and heavy-duty drawbar support.

**RE311348**

## 5 Power Beyond Coupler Kit

This kit offers continuous hydraulic flow for implements that already have a flow control device.

**RE293262** 9030, 9R IT4  
**BRE10110** 1/2" Couplers - 9R FT4  
**BRE10111** 3/4" Couplers - 9R FT4

## 6 Battery Disconnect Switch

Ensure more reliable starts after storage periods and prevent unauthorized use with a battery disconnect switch.

**RE325945** 9RT and 9RT Scraper  
**RE343324** 9RT and 9RT Scraper  
**BRE10119** 9R and 9R Scraper
